

Secretary's Report

There are currently 47 financial members of the APA. This includes 30 General, 15 Concession and 2 student members. There were 92 members at 30 June 2019, of whom 39 have renewed for the 2019-20 financial year. Eight members have joined the APA this financial year. A breakdown of members by membership type and financial status is provided in Table 1.

Table 1 APA members by membership type and financial status 2019-20

Membership type	Financial	Non-financial	Total
General	30	30	60
Concession (incl. retired)	15	10	25
Student	2	13	15
Total	47	53	100

There are 26 financial members who are affiliated with an Australian or International University. The most common University affiliation is the ANU (10 members). There are also 6 members who are affiliated with the State or Federal Government and 4 who work for a private sector organisation. This information is summarised in Table 2.

Table 2 APA members by affiliation and financial status 2019-20
